**Synopsis:**

This is a two-step procurement. Estimated cost of construction is \$1,000,000.00 to \$5,000,000.00. The assigned NAICS is 237130 with a size standard of \$28,500,000.00. Construction completion is 270 calendar days.

Project consists of installation of approximately 8,000 linear feet of underground utility lines and associated structures (manholes), clearing/grubbing and forest restoration, payment/roadway repair and associated environmental protection. The project will be advertised as a request for Proposal (RFP).

Competitive proposals will be evaluated based on the evaluation criteria set forth in the solicitation package. Award will be made to the technically acceptable offeror with the lowest price. The evaluation will consist of a two step process, to include at least Past Experience and Past Performance. The evaluation criteria will be in the solicitation package. All responsible sources may submit a proposal, which shall be considered by the agency.

In order to comply with the Debt Collection Improvement Act of 1996, all contractors must be registered in the Central Contractor Registration (CCR) to be considered for award of a Federal contract. For information regarding registration, contact (1) CCR Website at <http://www.acq.osd.mil/ec>; (2) dial up modem at (614) 692-6788 (User ID: ccrpub; Password: pub2ccri); (3) through any DoD Certified Value Added Network. To review the database, the website is: <http://www.fedecnavigator.disa.mil>. Other information regarding registration can be obtained online at [www.ccr.gov](http://www.ccr.gov) or through CCR Assistance Center (CCRAC) at 1-888-227-2423 or (269) 961-4725.

It is imperative that all small disadvantaged businesses contact their cognizant Small Business Administration Office to obtain Small Disadvantaged Business Certification. Without SBA ADB certification, a prime contractor nor a federal agency can receive SDB credit when utilizing non-certified SDB contractors/subcontractors.

For Phase I, contractors are to register to be placed on the Bidders/offerors mailing lists by going to website: <https://ebs.nab.usace.army.mil>. Contractors may view and/or download solicitation information from this internet site.

Solicitation for Phase I to be issued o/a 3 October 2005, with Phase I proposals due o/a 6 November 2005. Contractors request for solicitation will be performed through ASFI.
